-------------------	--

THE FAR-REACHING NEW JOURNAL

The Independent Institute proudly announces the new quarterly journal, *The INDEPENDENT REVIEW: A Journal of Political Economy*. Premiering in the spring of 1996, *The INDEPENDENT REVIEW* is a scholarly, interdisciplinary journal devoted to political economy broadly construed. Transcending the all-too-common fragmentation and politicization in contemporary scholarship and policy debate, *The INDEPENDENT REVIEW* is designed to be interesting, informative, wide-ranging, and based on solid scholarship. Featuring new and path-breaking studies by many of the world's finest scholars and policy experts, authors represent a variety of disciplines, intellectual traditions, and ideological perspectives.

Probing the most difficult and pressing of social and economic questions, articles and reviews range across economics, political science, law, history, philosophy, sociology, and related fields. *The INDEPENDENT REVIEW* features in-depth examinations of current policy issues viewed in comprehensive historical, ethical, and economic perspectives, and written in clear, vigorous English. Undaunted and uncompromising, this is a journal that will pioneer future debate.
